Friendly Force Information Requirements (FFIR). Information VDF CG and G-Staff need about VDF and/or Interagency/NGO capabilities available for the operation. Priority Intelligence Requirements (PIR). Those intelligence requirements for which VDF CG has an anticipated and stated priority in his task of planning and decision making. I = Immediate notification / 18 = Within 18 hours of incident (JOC (TAG) must be informed within 24 hours of incident)	DG3	G3	DCO	COS	CG	JOC (TAG)
CCIR #5 Attempted suicide or suicidal ideations of any VDF member or any person on DMA property. (cf. DMA CCIR # 5)	I	I	I	I	I	I
CCIR #6 Incident that may create negative public image of the DMA/VDF. (includes social or traditional media articles, posts, or transmissions) (cf. DMA CCIR # 7)	18	18	18	18	18	18
CCIR #7 Loss of a sensitive item or OPSEC/COMSEC compromise. (cf. DMA CCIR # 9)	I	I	I	I	I	I
CCIR #8 Change to any DSCA Tier 1 or Service Component Response Package readiness level. (cf. DMA CCIR # 10)	18	18	18	18	18	18
Essential Elements of Friendly Information (EEFI). The critical aspects of friendly operations that if advertised could lead to the failure, or limit the success of the operation, and therefore must be protected or limited for distribution.						
EEFI 1. Itinerary of General Officers and/or public Officials.						
EEFI 2. Commonwealth's identified critical infrastructure sites.						
EEFI 3. Overall VDF/DMA capability to respond to DSCA operations						
EEFI 4. Availability of VDF/DMA Senior Leaders (as briefed in WCUB).						
EEFI 5. Current force protection condition (FPCON) levels of DMA and DMA facilities; Change to the National Terrorism Advisory System of ForceProtection level in VA, adjacent states, or the NCR (cf. DMA CCIR # 8)
